

# High-Impact!

## PRESENTATIONS

Does your team need to make presentations in English  
*confidently & professionally?...*

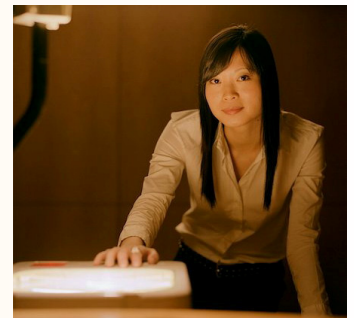

Making successful presentations are an increasing requirement of leadership effectiveness.

What better way to improve your skills than through **High-Impact! Presentations**, our two-day seminar where participants model and develop their own presentation style. Using video and with numerous opportunities to practice, participants gain confidence through our unique approach.

Expertly coached by our experienced and engaging seminar leaders, Mr Philip Dunne and Mr Philip Williams, the participants quickly learn how to make their presentations **High-Impact!**

### Programme Details

How to prepare and structure your presentation professionally :: Create and maintain rapport with your listeners :: Make an impact in the first 60 seconds with a powerful opening :: Use simple, *high-impact* phrases :: Finish strongly and on a high :: Use movement and body language to drive your point home :: Handle tricky questions with ease! :: Think on your feet :: Move through the stages keeping interest and involvement :: Build consensus! :: Develop own presentation style

### The Feedback

“Thank you for all the practice... This was very rewarding and for sure I will make presentations with High-Impact!”

“This has made my presentations so easy - I wish I had done this program years ago!”

“Thank you Philip, this was very informative and enjoyable... one more time!”
